### *Mind - Body - Spirit*

#### **Balance**

Balance is the awareness that certain parts of our lives may be more in focus than others. If we feel out of balance we need to make a list of our priorities and make sure we focus on the ones that have been neglected. Mind – Body – Spirit is another aspect of our life we can balance. Good Health is a form of Balance.

### *Observe Miracles.*

#### **The Witness**

Consciously observe life as it is taking place. Nature continuously reveals miracles if you take the time to watch them unfold. It is also helpful to witness your life from a perspective outside of yourself. The witness is the observer that remains eternal. It is unchanging and yet is capable of seeing all of the changes.
